

2020 NOMINATIONS NOW OPEN!

AUSTRALIAN OLYMPIC CHANGE-MAKER

The Australian Olympic Change-Maker program recognises students who are demonstrating the Olympic spirit through leadership and driving positive change in their communities.

In 2019 more than 1,000 young leaders were recognised for embracing the Olympic spirit to impact and inspire their communities and be a potent force for positive change.

2020 entries are now open – this is a great opportunity to showcase the great work being done by your students.

All Australian high schools are invited to nominate up to two students per school from years 10-12 who demonstrate the Olympic Spirit.

This can take on many forms – from major projects to small examples of daily positivity. This is a chance to have your students recognised for their fantastic work in leading teams, coaching juniors, supporting seniors, making a difference at a sports club, a national cause or effecting change on the world stage.

Each Award recipient will receive;

- Invitation to attend a virtual Forum
- Certificate of recognition
- Consideration to attend the National Olympic Change-Maker Summit, selected by a panel of Olympians.

The Forum provides a unique opportunity for Change-Makers to come together with other like-minded young people from around Australia who are making a difference in their school or community. Additionally, up to 25 students from around the country will be selected to participate in a National Change-Maker Summit in December 2020.
